D / **Bmin** / **A**
I count my ble- ssings, for they are more pre- cious than

G / **D**
gold, The gifts that You give me are

Bmin / **A** / **G** / **D**
too good for one heart to hold, Oh Your love, it fills me up

A / **Emin** / **D**/F♯ **G** **A** [CHORUS]
and then it o- ver- flows - So

D / **Bmin** / **A**
I'll give you e- very thing as You gave e- very thing to me

G / **D**
and I will lay down my life, as

Bmin / **A** / **G** / **G**
You gave Your life so I could be Ge- ne- rous

D/F♯ / **G** **A** / **D**
with Your love as You were ge- ne- rous to me.
