

#### Parent Kids With a Mission Letter—Supply Collection

Dear Friends,

Thank you for allowing your children to attend our VBS program, *Investigation Station: Destination Paradise*. Your children will have the opportunity to discover some truths about God and the world in which we live. They will also have a chance to actively take part in a mission project titled Sunrise Reef.

Our goal at *Investigation Station: Destination Paradise* is to make our children aware of the needs at the Yap Seventh-day Adventist School in Micronesia. Many of the staff are student missionaries from around the world. These missionaries commit their time and energy to staff the school, but the school has few supplies to work with.

Each day this week we will offer the opportunity to send school supplies to the Yap Seventh-day Adventist School. The children can donate school supplies such as rulers, pencils, pencil cases and sharpeners, notebooks, paper, etc. as many times as they would like during VBS. At the opening of each program the children will go forward and turn in their special donation.

Being involved in outreach is an integral and essential part of our Christian experience. We want the children to know that they are never too small to serve and help others for Jesus.

Thank you for your support and for bringing your children to VBS.

Director, Sunrise Reef  
*Investigation Station: Destination Paradise VBS*
