

Dear Pastor,

We want to help kids learn to recognize the needs of others. This VBS includes an exciting opportunity for your VBS kids to help kids around the world through ADRA's new campaign, "Every Child. Everywhere. In School." This campaign is important because one in five children worldwide are out of school and refugee children are five times more likely to be out of school. In addition, around 90% of children with disabilities in the developing world are not in school.

The campaign is an urgent call to leaders around the world that all children, regardless of race, age, nationality, gender, religion, or origin, have a right to earn and complete an education, and that being in school is a recognition of the value and potential of each individual child.

Please join us in our ADRA mission project by encouraging the congregation to participate by donating money and signing ADRA's petition at inschool.adra.org/petition. Your support and prayers can make a big difference in kids' access to education.

Your VBS director has instructions for collecting the funds and an offering code that has been designated for this project. Thank you for investing in the growth and training of our children and making a difference in the lives of others.

Sherrri Uhrig, Director
