

Dear Pastor,

We recognize how important it is for our kids to recognize the needs of others. To this end we are including the ADRA mission project in this year's VBS program. This project raises money for food and education for kids around the world.

Please join us in our ADRA mission project by encouraging the congregation to participate. Your support and prayers can make a big difference in the lives of families around the world.

Your VBS director has instructions for collecting the funds and an offering code that has been designated for this project. Thank you for investing in the growth and training of our children and making a difference in the lives of kids and families around the world.

Sherri Uhrig, Director
Children's Ministries
North American Division
